Do you care about the natural world? Enjoy spending time outside? Love making things?  
**Learn new skills and explore your career options in the  
Opening the Box STEAM Mentorship Program.**

- Opportunities for career discovery, identity connections, and networking with professionals in communities inside and outside of the state.
- Discuss options and potential barriers for Alaska Native and Native American students in STEAM.
- Build friendships with a regional cohort of students.
- Open to students in select Southeast Alaska communities.
- Monthly meetings with independent work between meetings throughout the Spring 2024 semester.
