Ast'eix̱ nak̲úx̱ - Tléik̲w

Go Fish - Berries

Rules for play

The object of Go Fish is to collect four of a kind. Each player is dealt 7 cards. The remaining cards are spread out in the center of the table. Players take turns asking each other for the cards they want. For example, player 1 chooses someone and asks 'Do you have any cranberries?'. If the player asked has cranberries, they must hand over ALL of their cranberry cards. Player 1 continues to ask other players for cards as long as they give him what he asked for. If the player asked doesn't have the requested cards, they say 'Go fish!'. Player 1 chooses a card from the pile. If player 1 draws the card he was just asking for, he gets another chance to ask someone for a card. If he doesn't draw what he was asking for, it is the next player's turn to ask for cards. When a player has collected four of a kind, he places the set face down in front of him. The game ends when the last player has run out of cards. The player with the most sets wins the game.

Phrases for play

Do you have any _____ ?	____ gé i jeewú?
Yes. Here, take them.	Aaá. Ná.
